Due to snow, ice, rain and my daughter's basketball tournaments every weekend I have not been able to knock on as many of your doors as I would like. I am trying my best to visit with each household in Ward 4, but in case I miss you...

I am asking for your vote for City Council - Ward 4 - on March 2. Below is my phone number and e-mail, please feel free to contact me with any questions you would like answered in order to feel comfortable with a vote for me.

I have proven to be a hard working and conscientious voice for you in the past and would make the City of Pryor a priority if elected.

I ask for your vote on March 2. Thank You!
