Arrested Pryorite, escapes, fights, held again

A 20-year-old Pryor man, who broke into three vehicles including a Rogers County Sheriff's Office vehicle in Pryor, got into deeper trouble when he escaped from custody and fought with three officers after Arrest II.

Tynan Lee McKinney was charged today with three counts of second-degree burglary, attempted escape from custody, resisting an officer, possession of marijuana and drug paraphernalia, and public intoxication.

On Saturday, McKinney allegedly opened the locked door of three vehicles with the intent to steal, including Jim Rush's personal vehicle and sheriff's office vehicle at 10 Ross, and Bobby Cubitt's vehicle at 68 Bryan.

After being arrested by Pryor Officer David Carpenter, he reportedly moved his handcuffs to the front and climbed out the back window of the patrol car only to be captured again by Officer Carpenter.

McKinney, who reportedly had marijuana, pipes, dugouts and hemostat in his possession, did not surrender peacefully as he reportedly obstructed, failed to stop when requested and fought with Pryor Police officers Kevin Tramel, Jack Cunningham and Carpenter.
