'Starlight Band' playing concert in park Saturday

Starlight Band - Oklahoma's only professional concert band - will present a patriotic outdoor concert at 7:30 p.m. Saturday on the basketball courts at Whitaker Park.

The band, which includes Pryor High's assistant band director Jeff Lawless, will play a program of favorite American and patriotic music.

Lawless, a third-generation member of the band, has been playing 20 years with Starlight.

The program will appeal to people of all ages.

"We want to get hands clapping and feet tapping," said L. Dale Barnett, conductor and music director.

Treeman Family Foundation is presenting this special performance with production assistance from The City of Pryor and Pryor Chamber of Commerce.

Bring lawn chairs and/or blankets.
