## Elliott Street closing July 7

Elliott Street will be closed from 8 a.m. to noon Tuesday, July 7, for installation of "floodgates" on both the north and south ends of the roadway.

Donny Baldrige designed and built the lockable floodgates, modeling the floodgates on South Rowe in Whitaker Park, and the county paid \$1,250 for the service.

The City of Pryor did not share in the cost, but the gates are being erected on county property.

The gates will be on the just beyond the south side of the Pryor Creek Bridge, and just north of the first residence south of Pryor Creek Nursery.
